

To whom it may concern

This is to certify that

Münchener Rückversicherungs-Gesellschaft
Aktiengesellschaft in München
Königinstraße 107
80802 München

was set up in 1880 as a company under German law which has been exclusively operating the reinsurance business since its foundation. Pursuant to section 1 of the current version of the Insurance Supervision Law (Gesetz über die Beaufsichtigung von Versicherungsunternehmen - VAG) the company is subject to supervision by the Federal Financial Supervisory Authority (BaFin). Under the mentioned law and its charter the company is authorized to operate business by reinsuring risks from all insurance classes both in Germany and abroad.

Within that frame, the company has to observe the rules determined by the Federal Financial Supervisory Authority. The company fully complies with the solvency rules applicable to reinsurers.

In the past five years, any violation which would give rise to criminal prosecution has not been brought to my knowledge.
