

Munich Re Facultative & Corporate

Your dedicated partner in Risk Management

Based on our deep industry expertise, we are able to provide complex and efficient coverage solutions for single risk business globally. By single risk, we mean all types of individual risks – primary insurance (direct) for large corporates and facultative reinsurance for both commercial/SME and industrial business supporting our cedants.

Munich Re F&C offers direct insurance to large corporate clients as well as facultative reinsurance to our cedants across the globe. Our 700+ experts provide the full single-risk expertise of Munich Re to our partners everywhere. Acting as one team across 20 countries, we ensure our cedants and corporate clients enjoy the best solutions and services across all lines of business. We are proud that leading cedants and the world's largest companies choose Munich Re F&C as their partner.

Global knowledge – Local insights

Our Munich underwriting teams write international business while also being responsible for a globally consistent underwriting strategy. Our regional underwriting teams secure proximity to our clients and markets. Both groups of teams work together closely to ensure that market-specific requirements are met, in product development and elsewhere. They also provide regional clients with unrestricted access to our worldwide pools of experts.

Münchener Rückversicherungs-Gesellschaft
(Munich Reinsurance Company) is a reinsurance company
organised under the laws of Germany.

In some countries, including in the United States, Munich Reinsurance Company holds the status of an unauthorised reinsurer. Policies are underwritten by Munich Reinsurance Company or its affiliated insurance and reinsurance subsidiaries. Certain coverages are not available in all jurisdictions.
