

# Munich Re Facultative & Corporate

Based on our deep industry expertise, we are able to provide complex and efficient coverage solutions for single risk business globally. By single risk, we mean all types of individual risks – primary insurance (direct) for large corporates and facultative reinsurance for both commercial/SME and industrial business supporting our cedants.

Munich Re F&C offers direct insurance to large corporate clients as well as facultative reinsurance to our cedants across the globe. Our 600+ experts provide the full single-risk expertise of Munich Re to our partners everywhere. Acting as one team across 20 countries, we ensure our cedants and corporate clients enjoy the best solutions and services across all lines of business. We are proud that leading cedants and the world's largest companies choose Munich Re F&C as their partner.

## One global team, anywhere you need us

Acting as a single unit, our broad global network provides a holistic suite of innovative products and services that we use to create customised F&C insurance solutions. In addition, our global expertise and in-depth industry know-how enable us to add value across all lines of business.

Across 3 regional hubs and 20+ offices we serve our cedants, corporate clients and brokers.

All offices provide the full suite of F&C products and solutions across all business lines.

Global competence centers for Cyber and Energy located in Munich.

### Our regional responsibilities

- Europe
- North America
- Latin America and Iberia
- Asia Pacific, Middle East, Africa

## Global knowledge – Local insights

Our Munich underwriting teams write international business while also being responsible for a globally consistent underwriting strategy. Our regional underwriting teams secure proximity to our clients and markets. Both groups of teams work together closely to ensure that market-specific requirements are met, in product development and elsewhere. They also provide regional clients with unrestricted access to our worldwide pools of experts.
