What e-trade products do we offer?

Available via [HSB Fast Track](#); our online e-trade platform, or via the [Acturis](#) open market e-trading solution, we provide innovative engineering and technology insurance solutions to meet the needs of many types of businesses (product links below):

- **HSB Annual Construction:** annual cover for construction, buildings and civil engineering projects
- **HSB Project Construction:** project cover for construction, buildings and civil engineering projects
- **HSB Contractors' Plant:** cover for owned and hired-in plant
- **HSB Computer Insurance:** cover for computer hardware; data losses; increased costs and virus, hacking and denial of service
- **HSB Cyber Insurance:** an add-on computer system, data and cyber risks insurance product all in one; providing comprehensive cover for SMEs

Why choose HSB?

- Leading specialist provider of engineering and technology insurance and inspection services in the UK and Ireland
- UK-based arm of HSB Group, the equipment breakdown insurance and inspection market leader since 1866
- Part of Munich Re, a world leader in risk solutions, consistent risk management and financial stability
- Financially strong and stable – rated A++ (Superior) by A.M. Best Company
- A member of the Institute of Customer Service, demonstrating our commitment to continually improving customer service performance and professionalism
