

International Group Trainee Programme EXPLORE (m/f/d)

EXPLORE is Munich Re Group's international trainee programme to jump-start your career in insurance. It is an intensive experience for graduates and young professionals, and it's completely up to you where you'll go to EXPLORE. Once you have completed the trainee programme, choose from attractive job opportunities across the globe to continue your individual career path in an executive, expert or specialist role.

We are looking for ambitious, talented individuals with a proven passion for the insurance and finance industries to join our EXPLORE trainee programme on 1 October 2021. Please apply online: www.munichre.com/explore

Over the course of 12 to 24 months, you will:

- rotate through the Group's three different business fields: Munich Re, ERGO and MEAG;
- enjoy one to two three-month assignments with our international companies;
- gain a deep understanding of the insurance value chain;
- acquire cross-functional expertise on reinsurance, primary insurance and asset management;
- boost your personal development with soft-skills training, mentoring and coaching; and
- be introduced to core business processes such as strategy development, sales, product development, underwriting, claims, risk management and asset management.

Apply now!

We look forward to receiving your application.
Do you have any questions about the EXPLORE programme or your application?
We are happy to help, get in touch at:
explore@munichre.com

You will benefit from:

- thorough training both on and off the job to develop professionally and personally;
- the opportunity to establish a broad international business network;
- a comprehensive overview of today's insurance industry; and
- the chance to take your career into your own hands.

In a candidate, we're looking for:

- a master's or doctoral degree and outstanding academic achievements in economics, law, mathematics, engineering or computer science;
- significant international experience;
- a curious, open mind;
- strong analytical and problem-solving abilities; and
- excellent command of English and high proficiency in another language.

At Munich Re, we see diversity and inclusion as a solution to the challenges and opportunities all around us. Our goal is to foster an inclusive culture and build a workforce that reflects the communities in which we live and work.

Munich Re is one of the world's leading reinsurance companies with more than 11,000 employees at over 50 locations around the globe. We work on topics today that will concern the whole of society tomorrow, whether that be climate change, major construction projects, gene technology or space travel. We find solutions to these challenges through a network of highly qualified professionals who anticipate risks, work on tailor-made solutions and expertly advise our clients. If you want to help shape the future as part of one of our teams, we look forward to hearing from you.
