

# Wherever there is sun, there is need for protection.

## Munich Re's PV Warranty Insurance

### Great opportunities always come with risk

Photovoltaic is a fast-growing industry. Yet, with dynamic growth and larger and larger projects in the pipeline, it is facing additional risks too.

### A dynamic market calls for reliable partners

This is where Munich Re's PV Warranty Insurance can set the foundation for your business growth and convince developers and investors to choose you as preferred manufacturer.

### We promise you ...

- **bankability** for more attractive financing terms
- planning security against **excessive warranty claims**
- the certainty that your clients' solar investment is **profitable on the long run**

### Munich Re's PV Warranty Insurance

Your benefits:

- Enables your sales efforts on a global level
- Instills confidence in the performance of your products
- Positions you as a reliable business partner

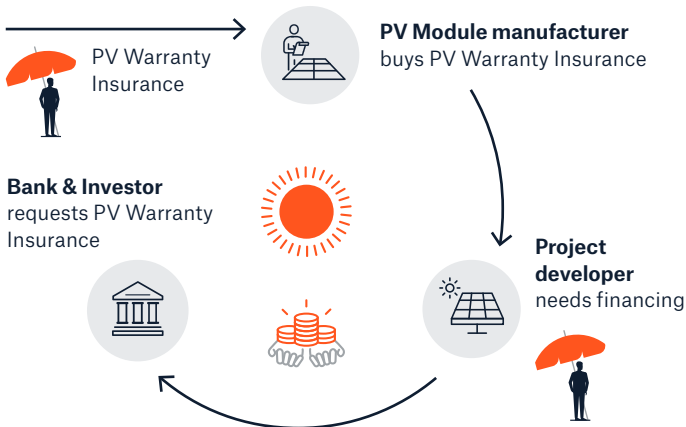

### Your customers are protected against

- Technical underperformance of panels is profitable in the long run
- Insolvency of PV module manufacturer

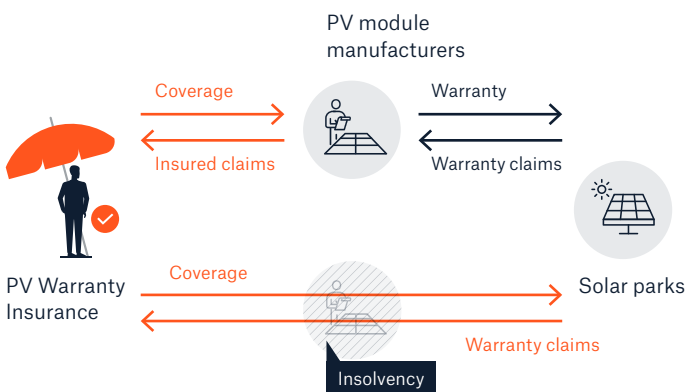

→ And makes sure your clients' solar investment is still profitable in more than 20 years

## PV Warranty Insurance helps project developers receive financing

The PV ecosystem:

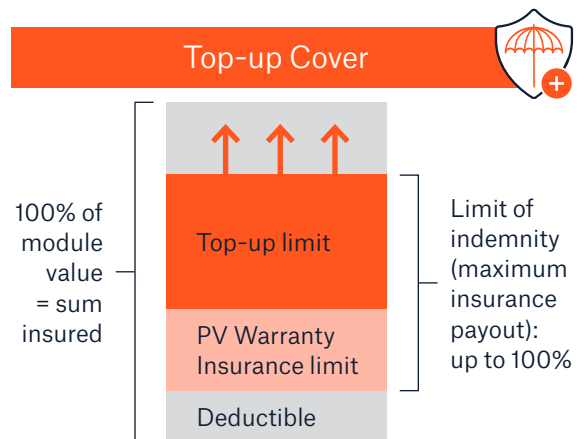

## Our PV Warranty Insurance makes sure your customer's claims are covered

## How to get started

1. Our PV Warranty Insurances are adapted to your specific protection needs and aim to support your growth ambition
2. All PV Warranty Partners pass a technical due diligence and are named on our website
3. Your clients receive a „Declaration of Beneficiary“ to confirm that their claims are covered

## Our top-up cover is tailored for investors and park developers

It's time to accelerate your sales and offer your customers our tailored PV Warranty Solutions.

Let's work together to set the foundation for your business growth today.
