1. Area of responsibility of the Audit Committee

The following matters are delegated to the Audit Committee for deliberation and resolution:

1.1 Company and consolidated financial statements

Preparing the Supervisory Board resolutions on the adoption of the Company's annual financial statements and the approval of the consolidated financial statements; this includes the preliminary audit of the Company and consolidated financial statements, the management report and the consolidated management report or the combined management report, the proposal for the appropriation of the net retained profits as well as the receipt of and discussion of the audit reports, other reports and statements by the external auditor on all key findings with the external auditor.

1.2 Interim financial reporting and quarterly reporting

Discussing the interim financial reports (half-year reports and any quarterly reports) with the Board of Management, including the external auditor's report on the review of the half-year financial report. Discussing the main information underlying the quarterly statements with the Board of Management.

1.3 Reporting pursuant to Solvency II

Discussing the essential components of the Solvency II reporting with the Board of Management. This includes in particular the key Solvency II indicators, essential components of the Report on Own Risk and Solvency Assessment (ORSA), the Regular Supervisory Report (RSR), the Solvency and Financial Condition Report (SFCR) and the solvency balance sheets. The latter also includes discussing the external auditor's report on the review of the solvency balance sheets.

1.4 Accounting and financial reporting process

Monitoring accounting and the financial reporting process. The Audit Committee may provide the Supervisory Board with recommendations or proposals to guarantee the integrity of the financial reporting process.

1.5 External auditor

- 1.5.1 Preparing the selection of the external auditor, including conducting the selection process and making recommendations to the Supervisory Board regarding the proposal of the Supervisory Board to the Annual General Meeting on the election of the external auditor. This also includes obtaining the necessary information, particularly obtaining the external auditor's confirmation of independence.
- 1.5.2 Assessing performance and monitoring the independence of the external auditor, and monitoring and assessing the quality of the audit and any additional services provided by the external auditor.
- 1.5.3 Hiring the external auditor, especially for the Company and consolidated financial statements, including defining audit focal points for the review of the interim financial reports, for any voluntary external audit of the combined non-financial statement and the review of the solvency balance sheets. This also includes agreeing on the fees payable for these services. The necessary declarations in this regard are to be given

by the Chair of the Audit Committee, or by the Chair of the Supervisory Board if the former is unavailable, on the basis of these decisions.

- 1.5.4 Approving non-audit services, monitoring them and determining the necessary processes.

1.6 Risk management system

Monitoring the adequacy and effectiveness of the risk management system (including ESG risks).

1.7 Internal control system

Monitoring the adequacy and effectiveness of the internal control system.

1.8 Compliance

Monitoring the adequacy and effectiveness of compliance, in particular the compliance management system, including whistleblowing and the handling of material compliance cases.

1.9 Actuarial function

Monitoring the adequacy and effectiveness of the actuarial function system.

1.10 Internal audit

Monitoring the adequacy and effectiveness of the internal audit system.
