

Casualty Underwriter (m/f/d)*

Location
Milan, Italy

At Munich Re we offer a dynamic, progressive and collaborative work environment, and for our Casualty Underwriting Department, we are looking to strengthen the team with a highly motivated underwriter, who is eager to challenge and support the team and our overall business proposition. You will take care of the risk assessment and the underwriting of Casualty business, including GTPL, Product Liability and Financial Lines. Reporting to the Head of Property & Casualty, you write reinsurance business in line with underwriting authorities and client strategies.

Your Job

- Underwriting and accepting offers, including premium calculation and fixing terms and conditions in accordance with the underwriting guidelines, internal directives, targets and client strategies;
- Conducting negotiations and maintaining the relationship with Clients and Brokers;
- Servicing client accounts and tapping new business potential;
- Expanding the digital insurance proposition by improving existing products and building new ones
- Responsibility for the administration of the contracts assigned, including exposure monitoring and liability/accumulation assessment;
- Performing result and portfolio analysis and helping in the preparation of class-of-business reports;
- Helping conduct seminars/workshops for internal and external training;
- Participating in concept and strategy development in the area of responsibility; planning and controlling activities;
- Assuming special tasks, e.g. participating / supporting local and Group wide international working groups and projects; participating in reviews, training of staff; contributing to market events;

Your Profile

- University degree in an economic, scientific (mathematics/statistics) or law-related discipline;
- Minimum 3 years of experience in Casualty business and knowledge of reinsurance;

- Highly conversant with IT systems, proficiency with the relevant underwriting and rating tools/risk modelling;
- Great team-worker, business developer, negotiator and communicator;
- Strong entrepreneurial spirit, proactivity and ability to work under pressure and with a multitasking approach;
- Fluent in Italian and English (written and spoken);
- The position will be based in Milan but availability to travel is required;

About Us

With over 50 years of experience in the Italian market, Munich Re is one of the leading reinsurance companies operating in Italy. At Munich Re Italy, we are working to provide the best insurance solutions and pursue new insurance related opportunities for our clients.

- You will work in an environment where we think big: Change and culture are continuously role-modeled. We create and articulate a compelling and ambitious shared purpose, vision and direction. We pave the way towards success and see failure as learning
- You are going to experience that we care & dare: We are empathetic. We know when to lead and know when to let others lead. We attract, grow and coach future leaders
- We communicate in a clear & authentic way: We interact with a positive and humble spirit. We solicit feedback, ask and listen, learn and unlearn
- You will grow with your clients: Whatever our role, we support business, in an efficient and effective way, to create value for our clients. We embrace new ways of working leveraging digitalization to deliver solutions.
- Join us, and experience that we lead the We: We have a passion for winning and growing as a team. We inspire people to be capable of joint performance. We create an inclusive environment,

Sounds like you? Make it happen and be part of Munich Re where different thoughts, generations, cultures and experiences are valued and encouraged. **Send your CV to:** f.ricciardi@wehunt.eu
