

HSB's Workplace Violence Response coverage

Helping businesses recover after a violent event

Violence is impacting businesses and communities

39%

of surveyed **businesses** have experienced at least one incident of workplace violence over the last three years¹

46%

increase in **mass shootings** in 2020²

Any size, any type of business can be affected

94%

of respondents believe it **can occur at any place** of business³

Small shops

suffer some of the **highest rates**⁴ of workplace violence incidents annually

54

people injured **per day**⁶

40%

of **traumatized** employees **require time away** from work⁷

50%

of businesses believe the **impact** would be felt for **7 months** or longer⁸

Recovery can be daunting

Small or mid-size businesses may not have the resources to deal with the effects of workplace violence such as:

Business interruption/
lost revenue

Physical/
psychological issues

Low morale/
employee turnover

Be prepared with HSB's Workplace Violence Response coverage

This special endorsement helps a business and its employees begin the recovery process after a violent event. It offers coverage for:

Counseling services

Crisis communications

Security guarding
and assessment

Lost income and
extra expenses
