What e-trade products do we offer?

Available via HSB Fast Track; our online e-trade platform, or via the Acturis open market e-trading solution, we provide innovative engineering and technology insurance solutions to meet the needs of many types of businesses (product links below):

- **HSB Annual Construction**: annual cover for construction, buildings and civil engineering projects
- **HSB Project Construction**: project cover for construction, buildings and civil engineering projects
- **HSB Contractors' Plant**: cover for owned and hired-in plant, and employees' tools
- **HSB Computer Insurance**: cover for computer hardware; data losses; increased costs and virus, hacking and denial of service
- **HSB Cyber Insurance**: an add-on computer system, data and cyber risks insurance product all in one; providing comprehensive cover for SMEs

Why choose HSB Engineering Insurance?

- Leading specialist provider of engineering and technology insurance and inspection services in the UK, Ireland and Europe
- UK-based arm of Hartford Steam Boiler, the equipment breakdown insurance and inspection market leader since 1866
- Part of Munich Re, a world leader in risk solutions, consistent risk management and financial stability
- Financially strong and stable - rated A++ (Superior) by A.M. Best Company
- A member of the Institute of Customer Service, demonstrating our commitment to continually improving customer service performance and professionalism
