- Financial Reporting, including oversight and responsibility for:
 - Preparation of monthly US GAAP reporting packages,
 - Analytical review thereof, including comparison to IFRS17 on a quarterly basis,
 - Provision of key audit figures to the Manager – Technical Accounting as required.
- Oversight and management of Receivables / Payable, including:
 - Invoicing of premiums and services, accurate and timely application of cash receipts,
 - Receipt, review, and processing of external and intercompany invoices including timely payment.
- Business Process improvement including responsibility for:
 - Increasing automation of management reporting packages,
 - Improving process documentation.
- Talent, including coaching, mentoring, and development of team members.

- Regulatory Reporting, including planning and coordinating the provision of key figures to the Manager – Regulatory Reporting.
- Other ad hoc requests as they arise.

Qualifications:

- Bachelor's in Accounting or equivalent from an accredited university,
- Recognized accounting designation, preference given to a Chartered Professional Accountant,
- 5+ years' experience in the accounting and insurance industry (preferably property & casualty),
- Thorough understanding of US GAAP and IFRS (including knowledge of IFRS 17),
- Preference is given to candidates with experience using Sun Financial Systems and SAP,
- Knowledge of Power BI reporting tool an asset,
- Ability to manage multiple priorities in a deadline-driven environment.

Creating and maintaining a work environment that promotes respect, diversity and dignity is important to us. We strive for equality in our workplace, to eliminate employment barriers, and promote a workplace based on principles which align with our company values and promote positive employee practices.

Candidates requiring accommodation during any stage of our selection process should advise us of this; we will strive to work with individuals to find a suitable means to meet their needs.
