- All CAT perils

### **Capacity**

\$100 million with additional capacity available on a per risk basis

### **Participation**

Primary or subscription

Since 1875, HSB has delivered on its reputation as Canada's trusted engineering insurer. Together with our HSB Group partners and Munich Re, we set the global standard for excellence in coverage design, technical underwriting, inspection services, engineering risk management and claims service. These have helped earn us A.M. Best Company's highest financial rating, A++ Superior.

### **In-House Experts and Services**

#### **The Account Executive**

A seasoned technical insurance professional with expertise in tailored wordings, supporting the needs of all stakeholders involved in the risk: the insured, broker and partner insurer.

#### **The Account Engineer**

With deep technical knowledge and expertise, the Account Engineer oversees risk assessment, loss control and assists with claims investigations.

#### **The Inspector**

Conducts jurisdictional and loss prevention inspections to detect potential issues, and provides recommendations. HSB's Inspector is geographically positioned to be close to the insured, to deliver timely and efficient service.

#### **The Claims Specialist**

Brings specialized knowledge to help manage and assist in the effective, timely and fair settlement of complex claims.
