Seasoned Professionals

Our team of seasoned, knowledgeable professionals provide the superior underwriting and risk control oversight that are critical to your success. We seek dialogue with our clients and take the time to listen and understand their unique needs. It's this attention to client service combined with years of experience in developing casualty programs that defines our success – and yours.

Flexible and Reliable

We possess the know-how to recognize where opportunities exist to create the financially sound solutions you need. As your coverage needs evolve, we will work closely with our treaty and facultative certificate underwriters to identify ways to help you grow your portfolio.

Simple and Efficient Placement

Submitting your facultative program reinsurance is easy and efficient with AutoFac®, our exclusive quotation, bordereau, and management information system. Through AutoFac (www.munichreamerica.com/autofac) you can manage your entire book of casualty facultative program business and track your exposures online.

Using AutoFac assures that your standard submissions can be quoted and bound immediately with automatic pricing. Risks outside of our underwriting guidelines are handled through our automated special acceptance workflow and reviewed by one of our dedicated expert underwriters within 24 hours of your submission.

AutoFac includes many built-in time savers and controls, including single entry XML, so that you can provide more responsive service to your clients.

Exceptional Claims Service

Our outstanding financial strength means we have the liquidity to pay claims promptly. Additionally, our Claims division is one of the strongest in the industry. They work in close partnership with you to optimize the underwriting process by defining the appropriate loss prevention strategies for your business.

Addressing the key challenges of the future and working to devise cutting-edge solutions that render tomorrow's world insurable – that is what we have been doing in the U.S. property/casualty reinsurance market since 1917. Our recipe for success: we anticipate risks early on and deliver solutions tailored to your needs, creating opportunities for you to achieve sustained profitable growth.

Tailored Solutions: We know your market, its challenges, and untapped opportunities. Our solution-oriented approach means you can count on us to deliver custom products and responsive service.

Anticipating Future Risks: We provide access to a broad base of intellectual capital in underwriting, actuarial, claims, and many other specialized services to help your company better forecast, understand and manage its risks.

Sustained Profitable Growth: Our financial strength, broad risk appetite and comprehensive reinsurance products can help you to strengthen your market position and achieve sustained profitable growth.
