

Inland Marine

Inland Marine is a unique offering that combines elements of engineering (CAR/EAR), property, cargo, warehousing, and fine art and specie coverages to protect mobile “floating” property, property in transit or in storage, and property used in the course of construction. Munich Re Specialty Insurance leverages the strength of Lloyd’s to offer primary Inland Marine insurance solutions to our partners in the United States.

Munich Re Specialty Insurance (MRSI) is a description for the insurance business operations of affiliated companies in the Munich Re Group that share a common directive to offer and deliver specialty property and casualty insurance products and services in North America.

The Inland Marine coverage that is the subject of this brochure is offered, and any related services are provided, through Munich Re Specialty Group Insurance Services, Inc. as underwriting manager with underwriting authority provided by Munich Re Syndicate Ltd. – Syndicate 457, a marine and specialty insurance underwriter and surplus lines insurer at Lloyd's of London.

The information contained herein is intended for surplus lines brokers and producers. It also is intended as general information only and does not constitute an offer to sell or a solicitation of insurance. Any inquiries concerning Terrorism and Political Violence coverage should be directed through a licensed surplus lines producer or broker. Any descriptions of coverage contained in this information sheet are meant to be general in nature, may not be available in every state, may vary by state, and do not include nor are intended to include all of the actual terms, benefits, and limitations found in an insurance policy. The insurance policy and not this information sheet will form the contract between the parties thereto and will govern in all cases.
