

Public Entity Risk Solutions

## Securing your future in a changing landscape

Customized programs to manage risk among nonprofit and community-based organizations

Sustaining a financially secure future while continuing to provide high-quality services is what every nonprofit strives to attain. Reduced government aid and lack of fundraising contributions have severely impacted the ability of nonprofit and community-based organizations to meet community expectations. A more comprehensive level of risk management knowledge is needed to ensure balance sheet stability.

### Your success is important

With key insights into the risks inherent in nonprofit operations, our solutions range from traditional programs to more sophisticated risk management and risk financing integration. Our risk solutions are cost-effective, flexible, and responsive to each client's unique requirements. For individual entities interested in retaining risk, we work to resolve the nonprofit's exposure to loss and to efficiently finance the remaining risk.

### Munich Re advantage

#### Tailored solutions

Our solutions-oriented approach means you can count on us to deliver custom products and responsive services.

#### Trust in a strong partner

Our financial strength, broad risk appetite, and comprehensive knowledge provide opportunities for you to protect your assets.

#### Anticipating future risks

Intellectual capital in underwriting, actuarial, claims, and other specialized services helps us better forecast, understand, and manage risks.

## A team approach

Our professionals work one-on-one with your staff and brokers to access our vast global resources and create customized solutions for new and emerging exposures.

- Customized programs
- Sensitive to 501(c)(3) tax status
- Multi-line, integrated products
- Development and implementation of:
  - Risk management strategies
  - Risk control programs

## Quality services add value

### Risk control oversight

With our selection of services, our professionals will work with you to identify, prevent, and mitigate the impact of your risks.

### Mycommunityworkplace.org

A web-based program with special sections for public entities, providing state-of-the-art training, sample policies and procedures, and key articles by national experts on trends and emerging issues.

### Claims services

An unbundled, streamlined approach allows for third-party administrators, approved and with oversight by Munich Re claims experts, to provide efficient claims processing to help improve your operations.

### Lines of business/coverages

- Directors & officers liability
- General liability
- Errors & omissions liability
- Employee benefits liability
- Employment practices liability
- Sexual harassment liability
- Sexual abuse liability
- Automobile liability
- Property, including crime
- Healthcare professional liability
- Workers' compensation/employers liability
- Healthcare benefits

Munich Re Specialty Insurance (MRSI) is a description for the insurance business operations of affiliated companies in the Munich Re Group that share a common directive to offer and deliver specialty property and casualty insurance products and services in North America. Products and services are underwritten and provided by American Alternative Insurance Corporation and Princeton Excess & Surplus Lines Insurance Company, affiliates of Munich Reinsurance America, Inc., which itself may provide reinsurance products and services. Not all products and services are available in all states, and terms and conditions of coverage may vary by state. Certain products may be underwritten by a surplus lines insurer and thus are only available through a licensed surplus lines broker. The information contained herein is intended for surplus lines brokers and producers. It also is intended as general information only and does not constitute an offer to sell or a solicitation of (re)insurance. Each company is financially responsible only for its own products and services.
