

Public Entity Risk Solutions

Protecting faith-based communities

Innovative insurance solutions designed for religious organizations.

Religious organizations are founded on the trust earned from the faith-based community. Across the country, community leaders look to religious organizations to expand social service programs, while simultaneously performing the role of ministry, service and stewardship. These challenges, along with court decisions, administrative rulings and legislative developments create unique risks exclusive to religious ministry and service.

Munich Re Specialty Insurance (MRSI) is a description for the insurance business operations of affiliated companies in the Munich Re Group that share a common directive to offer and deliver specialty property and casualty insurance products and services in North America. Products and services are underwritten and provided by American Alternative Insurance Corporation and Princeton Excess & Surplus Lines Insurance Company, affiliates of Munich Reinsurance America, Inc., which itself may provide reinsurance products and services. Not all products and services are available in all states, and terms and conditions of coverage may vary by state. Certain products may be underwritten by a surplus lines insurer and thus are only available through a licensed surplus lines broker. The information contained herein is intended for surplus lines brokers and producers. It also is intended as general information only and does not constitute an offer to sell or a solicitation of (re)insurance. Each company is financially responsible only for its own products and services.
