This document is intended to provide a summary of the product, intended target market, product distribution strategy, and the product approval process. It also sets out the outcome of the annual product review and fair value assessment. This document is intended to be used by distributors and not provided to the end customer.

1.1 Product description

This product is designed to provide cover for freight forwarders liability under their terms and conditions and international conventions arising out of their business activities in respect of customers' goods in their control or control, including;

- Liability for physical loss of or damage to customers' goods,
- Liability for financial loss arising from loss, damage to or mis-delivery of customers' goods,

- Liability for Errors and Omissions made by the insured caused by a failure to comply with instructions, faulty arrangements or clerical errors.

1.2 Target Market and identified demand for this product

- **Target Market:** This product is suitable for commercial customers.
- **Not intended for:** This product is not suitable for consumers (retail customers) as the cover is designed for legal liability of a company.
- **Demands & needs:** This cover has key limits and deductibles which are determined on a risk by risk basis appropriate to the insureds demand and needs. A full list of exclusions are provided in the policy documentation but the key exclusions for this product include;

Generally

- Contamination or taint, unless amended by your policy documentation,
- Liability for certain types of goods,
- Liability for failure to collect cash on delivery,
- Liability for any special interest in delivery,
- Liability for agreed values. Liability for agreed collection, delivery or release times or dates,
- Variation in temperature unless the goods are carried in temperature-controlled vehicles and following an accident to the vehicle.

If storage is insured

- Theft unless following forcible or violent entry to or exit from the premises,
- Storage in basements or cellars, or below ground,
- Storage within containers, trailers, vehicles and conveyances outside the premises. Storage in the open,
- Water damage to goods that are not a minimum of 10cm above floor level.

Other standard market exclusions also apply.

1.3 Distribution strategy for this product

- **Sales method:** This product is sold as a standalone product.
- **Advised or non-advised sales:** All our products are sold through Brokers and therefore we expect. Brokers to provide the advice to the end customer
- **Assessment of customer demands and needs:** We expect distributors to have effective assessment processes in place for establishing the customer's eligibility and demands and needs, and offering this product only where it is appropriate for the customer's stated demands and needs.
- **Commission:** An assessment of the commission structure for brokers has been carried out and it is deemed to be appropriate and reasonable.

1.4 Manufacturer product reviews

| | |
|--------------------------------------|---------|
| Date Fair Value assessment completed | Q3 2025 |
| Expected date of next assessment | Q3 2026 |

In accordance with the FCA's Product Intervention and Product Governance Sourcebook ('PROD') rules, we have completed product reviews and fair value assessments across all of our products. The fair value assessments considered product performance against a number of areas including, but not limited to:

- Conduct Risk MI
- Complaints Data

- Commission Ranges
- Loss Ratios
- Broker Surveys
- Customer Understanding & Support Reviews

We will undertake ongoing product reviews on a yearly basis and any significant or material changes to this product will go through the product approval process again.

As a result of the product governance activities undertaken across this product, we can confirm the following:

- The product remains consistent with the needs of the identified target market
- The product continues to provide fair value
- The intended distribution strategy remains appropriate
