All companies

- Detailed narrative of the potential client including a description of their: operation, operating territory, and territory expansion information
- Completed ACORD applications for each line of business as well as the ACORD Commercial Insurance Application
- Driver onboarding information for the Transportation Network Company (TNC) including criteria such as: minimum driver age and background check procedures (Note: a link to the website is not sufficient)
- Business/growth plan for the company
- Detailed description of any telematics devices that are installed on the vehicle or within the application that measure and/or capture driver behaviors and vehicle operation
- Maximum permitted age of driver's vehicle
- Identify and describe the operating platform and indicate whether it is self-developed or purchased from an outside source

Established companies

- Currently valued loss runs from the incumbent carrier including a description of the loss as well as breakouts between reserved and paid - both loss and claims expense (up to 5 years, if available)
- A breakdown by month of Period 1, 2 and 3 miles in each city/state where they were operating in for the previous 12 months
- Net ride revenue for the past 12 months by each operating territory
- Projections for each period in the territories where operations are planned
- Any manuscript policy forms

Start-ups

- Biographies of the founders/owners
- Estimated revenues for each period
- Funding details
- Projections for each period in the territories where operations are planned
