

Liability - USA

Human error, mechanical failure, accidents – unforeseeable events that trigger liability claims can never be entirely ruled out. Manufacturers and service providers of all kinds can face substantial indemnity risks. The Corporate Insurance Partner division of Munich Reinsurance America, Inc. is specialized in delivering tailored solutions to complex and individual individual liability risk scenarios.

Master potential risks – Realise your full potential

Liability risks are an unavoidable part of doing business. In many industries, these scenarios have become highly complex and difficult to assess-and the trend continues.

However, these risks should not pose an obstacle to business success: an experienced partner with a deep understanding of the challenges you face can deliver the support you need. In close cooperation with our clients, we swiftly and efficiently develop targeted covers for individual liability risk scenarios.

Based on industry know-how and the substantial financial capacity of the respective risk carriers of Munich Re, we can work out solutions to even the most challenging cases.
