

Management And Professional Liability

The impact of increased litigation and rising court awards against business owners and professional service providers can impact your financial stability for many years. We can work with you to provide the financial reliability and specialized underwriting expertise you need to protect against management and professional liability claims.

For more information about our management and professional liability reinsurance products and services, speak with your Client Manager or contact

Addressing the key challenges of the future and working to devise cutting-edge solutions that render tomorrow's world insurable – that is what we have been doing in the U.S. property/casualty reinsurance market since 1917. Our recipe for success: we anticipate risks early on and deliver solutions tailored to your needs, creating opportunities for you to achieve sustained profitable growth.

Tailored Solutions: We know your market, its challenges, and untapped opportunities. Our solution-oriented approach means you can count on us to deliver custom products and responsive service.

Anticipating Future Risks: We provide access to a broad base of intellectual capital in underwriting, actuarial, claims, and many other specialized services to help your company better forecast, understand and manage its risks.

Sustained Profitable Growth: Our financial strength, broad risk appetite and comprehensive reinsurance products can help you to strengthen your market position and achieve sustained profitable growth.
