

## Specialty Insurance Simplified

Munich Re Specialty Insurance brings together the expertise of our multiple, North America commercial specialty insurance businesses to serve our brokers and clients with a holistic view of the primary insurance market. We offer the financial stability of a trusted partner along with our entrepreneurial approach to create a differentiated and flexible client experience for MGAs, wholesalers, brokers, insurance pools, and trusts.

### Broadening our capabilities

Munich Re Specialty Insurance builds upon our established, world class underwriting and claims services to further broaden our product and distribution capabilities. Each unit has a distinct focus, yet works together to serve clients through a broad array of capabilities, products and services.

Business units	Focus
Insurance Programs & Alternative Markets	- Program business distributed through U.S. based MGAs - U.S. alternative markets, non-profits, and government entities
Temple Insurance	- Program and non-program businesses in Canada
Bell & Clements	- North American MGA/binder business distributed from London and the U.S.
North America Excess & Surplus Lines	- Special risk markets
Roanoke Group (Partnership)	- Marine & inland marine, specialty, cyber, terrorism, and political violence products

Collaborating with our peers, brokers and clients will expand our knowledge and help us innovate for the future of insurance. Let's think about business differently.
